I'm a knight on my way to a _____

My _____ helps carry things for the journey.

He tends to all my needs and takes care of my _____

In turn I train him in the act of chivalry.

We arrive and I display my _____

I get a favour from a lady full of charm.

A wandering _____ is strumming on his lyre.

My armor's heavy and I'm starting to perspire.

My _____ grasps the reigns covered in mesh of chains.

I wield a deadly lance, one word from the _____

and I'm poised to advance.

My visor's down and I'm ready for _____

To please the crowd my opponent needs ousting.

I don't know who he thinks he be, but he better thinks twice if he plans to unhorse me.

Started life in the manor as a _____,
learning courtly ways till I became of age.
After I squired for a knight, I called my lord.

At my accolade he _____ me with the flat side of his sword.

After the _____ it's to the banquet
hall.

Ale will be flowing, there'll be dancing at the ball.
Up in the galleries the ladies cheer us on.
And wonder who will show most prowess.
Who will be their champion?
