

Listen to the song and fill in the blanks with the correct form of the missing verbs.

Patience (Guns n Roses/ sung by Chris Cornell)

_____ a tear 'cause I'm missing you
I'm still alright to smile
Girl, I think about you every day now

Was a time when I wasn't sure
You _____ my mind at ease
There ain't no doubt you're in my heart now

Said woman, _____ it slow, it will _____ itself out fine
All we need is just a little patience
Said sugar, _____ it slow, we will come together fine
All we need is just a little patience

I sit here on the stairs
I'd rather be alone
If I can't have you right now, I'll wait, dear

Sometimes it _____ so tense
I can't _____ up the time
But you know, love, there's one more thing to _____

Said woman, _____ it slow and things will be just fine
If you and I just use a little patience
Said sugar, _____ the time, 'cause the lights are shining bright
You and I got what it takes to make it, oh

I've been walking these streets at night
Just trying _____ it right
Hard to see with so many around
You know I don't like _____ stuck in a crowd

And the streets don't change but maybe the names
You know I ain't got time for the games
'Cause I need you
Yeah, I need you

Said, woman, _____ it slow, it will _____ itself out fine
All we need is just a little patience
Said sugar, _____ it slow, we will come together fine
All we need is just a little patience
