

**1. Watch the video and fill in the gaps.**

HARRY: Ginny... Ginny! Oh, Ginny, please don't be \_\_\_\_\_. Wake up. Wake up!  
Please, \_\_\_\_\_!

TOM RIDDLE: She won't wake.

HARRY: Tom. Tom Riddle! What do you \_\_\_\_\_, 'she won't wake?' She's not...?

TOM RIDDLE: She's still \_\_\_\_\_, but only just.

HARRY: Are you a \_\_\_\_\_?

TOM RIDDLE: A memory, \_\_\_\_\_ in a diary for fifty years.

HARRY: She's \_\_\_\_\_. Ginny, please don't be dead. Wake up! You've  
\_\_\_\_\_ me, Tom. There's a basilisk.

TOM RIDDLE: It won't come until it's \_\_\_\_\_.

HARRY: Give me my \_\_\_\_\_, Tom.

TOM RIDDLE: You won't \_\_\_\_\_ it.

HARRY: Listen, we've got to go! We've \_\_\_\_\_ her!

got to help  
called

got to save  
preserved  
wand

be needing  
dead  
ghost

mean  
wake up  
cold as ice

TOM RIDDLE: \_\_\_\_\_ I can't do that, Harry. You see, as \_\_\_\_\_ Ginny grows weaker, I \_\_\_\_\_. Yes Harry, it was Ginny Weasley who opened the Chamber of Secrets.

HARRY: No. She couldn't. She wouldn't!

TOM RIDDLE: It was Ginny who \_\_\_\_\_ the basilisk on the Mudbloods and Filch's cat, Ginny who wrote the \_\_\_\_\_ messages on the walls.

HARRY: But why?

TOM RIDDLE: Because I told her to. You'll find that I can be very \_\_\_\_\_. Not that she knew what she was doing. She was, shall we say, \_\_\_\_\_ trance. Still, the \_\_\_\_\_ of the diary began \_\_\_\_\_ her. And she tried \_\_\_\_\_ it in the girl's bathroom. And then, who should find it, but you? The very person I was most \_\_\_\_\_ to meet.

HARRY: But, why did you want to meet me?

**I'm afraid          anxious          persuasive          threatening          poor**  
**grow stronger      to scare      to dispose of      set      in a kind of      power**

TOM RIDDLE: I knew I had to \_\_\_\_\_ you, meet you if I could. So I decided to show you my \_\_\_\_\_ of that brainless oaf, Hagrid, to gain your \_\_\_\_\_.

HARRY: Hagrid's my friend! And you \_\_\_\_\_ him, didn't you?

TOM RIDDLE: It was my \_\_\_\_\_ Hagrid's. Only Dumbledore seemed to think he was \_\_\_\_\_.

HARRY: I'll bet Dumbledore saw \_\_\_\_\_ you.

TOM RIDDLE: He certainly kept an annoyingly \_\_\_\_\_ on me after that. I knew it wouldn't \_\_\_\_\_ to open the Chamber again while I was still at school, so I decided \_\_\_\_\_ a diary preserving my sixteen-year-old self in its pages, so that one day I would be able \_\_\_\_\_ to finish Salazar Slytherin's \_\_\_\_\_.

**capture          trust          innocent          close watch          noble work**  
**word against          right through          to leave behind**  
**be safe          to lead another          talk to          framed**

HARRY: Well, you haven't finished it \_\_\_\_\_. In a few hours, the Mandrake \_\_\_\_\_ will be ready, and everyone who was \_\_\_\_\_ will be all right again.

TOM RIDDLE: Haven't I told you? Killing Mudbloods doesn't \_\_\_\_\_ me anymore. For many months now, my new \_\_\_\_\_ has been you. How is it that a baby with no \_\_\_\_\_ magical talent, was able \_\_\_\_\_ the greatest wizard of all time? How did you escape with \_\_\_\_\_ a scar, while Lord Voldemort's powers were \_\_\_\_\_?

HARRY: Why do you care how I \_\_\_\_\_? Voldemort was after your time.

TOM RIDDLE: Voldemort is my past, present, and \_\_\_\_\_.

TOM MARVOLO RIDDLE (rearranges) I AM LORD VOLDEMORT

HARRY: You! You're the \_\_\_\_\_ of Slytherin. You're Voldemort.

**Petrified                  Draught                  Heir                  target                  future**  
**nothing but                  this time                  to defeat                  destroyed**  
**escaped                  matter to                  extraordinary**

TOM RIDDLE: \_\_\_\_\_, you didn't think I was going to keep my \_\_\_\_\_ Muggle father's name? No. I \_\_\_\_\_ myself a new name, a name I knew wizards everywhere would \_\_\_\_\_ fear to speak when I became the greatest \_\_\_\_\_ in the world.

HARRY: Albus Dumbledore is \_\_\_\_\_ sorcerer in the world!

TOM RIDDLE: Dumbledore's been \_\_\_\_\_ this castle by the \_\_\_\_\_ memory of me!

HARRY: He'll never be gone! Not \_\_\_\_\_ those who remain are \_\_\_\_\_ to him! Fawkes?

TOM RIDDLE: So, this is what Dumbledore sends his great \_\_\_\_\_. A songbird and an old hat. Shearhas- Samnathas- Sélithaeine.

Let's match the power of Lord Voldemort, Heir of Salazar Slytherin, \_\_\_\_\_ the famous Harry Potter.

**Surely                  loyal                  filthy                  the greatest                  as long as                  mere**  
**sorcerer                  defender                  one day                  against                  fashioned                  driven out of**
