– part

My sister works in a **0**  hospital . She is a nurse. She only works **1** -time (about 15 hours a week) and she doesn't **2**  much money. She works only three days a week, **3**  9 am to 2 pm. Her husband works **4**  a doctor and works very long **5**  –sometimes 14 hours a **6** . He earns about 90,000\$ **7**  year, which is a very high **8** . I work **9**  a construction company, but I'm not a builder; I work **10**  an office. I work **11**  an accountant, and I'm in **12**  of the company's finances.
