YOUR FAVOURITE SPORTS FAILS!

I. Read carefully and match

ALAN Today 4 pm

I saw a really funny thing on YouTube the other day. It was a tennis match. Four people were playing – it was in a big competition. One of the players was hitting the ball when a bird flew in – and the ball hit the bird and it fell to the ground. The players stopped and one of them picked the bird up – they thought it was dead. But suddenly the bird flew away again and they all laughed!

JILLY Today 1 pm

I was watching an American football game, a long time ago. There were some girls who were standing at the side of the ground. One player threw the ball really hard – and very badly! One of the girls was looking the other way when the ball hit her. She just didn't see it – and it knocked her over. Everyone was worried; the player went to see if she was OK – then she stood up and laughed and the player gave her a big hug.

MARK Today 10 am

I love sumo wrestling – you know, the big Japanese men who wrestle in a small ring. I was watching some on TV, and one wrestler started pushing the other one. He was pushing and pushing and they started to fall over, and the little referee was there behind them – he was trying to get out of the way but then the two men fell on him and he fell out of the ring!

PAULA Today 9 am

I went to watch a cycling race the other day. I was standing at the finishing line, and I saw the first cyclist come round the corner to finish the race. At first, he was very happy because he was winning – but he wasn't at the finishing line yet! While he was still cycling, he put his arms up in the air to celebrate. After two seconds, he lost control of the bike. And finally he fell off! He got back on the bike but another cyclist went past him, so in the end he came second. Poor guy – but it was his fault!
