Why have people killed elephants?

How do charities help elephants?

Chapter 8: Helping our Planet

1. Join the scrambled word with the unscrambled word.

Loca

Air

Taher

Sun

Ilo

Land

Ria

Wind

Nald

Oil

Uns

Water

Dniw

Coal

Tarwe

Earth

2. Choose the correct order and select if it's True or False
everything/plants/Earth/and/animals/need./that/has

damage/People/don't/Earth/pollution./with

Too/much/climate./changing/Earth's/is/carbon dioxide

colder/becoming/countries/and wetter./Some/are

build/cities./don't/need/and/to/People/land/towns/much

3. Drag the word in the correct sentence.

Much environment electricity
Chairs recycle tables

In small ways, we can help the _____ in a big way.

Many people buy too _____.

We all need things like beds, _____, and _____.

Making things uses lots of _____.

We should reuse and _____ as much as possible.

4. Select the correct answer for each question.

Why do people burn fossil fuels?

What do most cars, buses, and trucks use today?

What can some buses and cars use instead?

What should we do to use less electricity when we aren't watching television or using the computer?

What will happen if we all use less electricity?

How can people make less waste?
