Hello, I'm Rebecca. I'm in my grandparents' <sup>1</sup> garden.

They've got a big garden with lots of delicious fruits and

<sup>2</sup> \_\_\_\_\_. I like helping them. There are some cabbages

in the garden. The snails like the cabbages, but Grandma

doesn't like the <sup>3</sup> \_\_\_\_\_.! They eat the plants. There's

an insect hotel in the garden too. It's made of sticks and the

<sup>4</sup> \_\_\_\_\_ live inside. Grandma has a compost bin with

<sup>5</sup> \_\_\_\_\_ in it. They make food for the plants. There

are lots of colourful <sup>6</sup> \_\_\_\_\_ in the garden. I'm taking

some home for mum and dad.
