## Case #1:

First, you need to add 2 cups flour, ½ cup sugar, 2 cups chocolate chips, 2 eggs, 1 teaspoon salt and 1 teaspoon vanilla to a mixing bowl. Next you stir the ingredients together until they are completely combined. Preheat oven to 350 degrees Fahrenheit. Put spoonfuls of cookie batter an inch apart onto a greased cookie sheet. **FACT** or **OPINION**

## Case #2:

My mom's cookies are the best in town! First, she uses the creamiest butter, and she gets the freshest eggs from our neighbor's chickens. The milk she buys to drink while eating the cookies make the cookies even better because the milk comes from a local dairy farm. They're good when they're cooled down, but even better when they're still warm.

**The Lion and the Mouse**

by Aesop

A Lion lay asleep in the tall grass, when a tiny gray Mouse came through the grass and accidentally bumped into the Lion's nose. The Lion, angry to be woken from his nap, placed his huge paw on the Mouse to eat her.

"Don't eat me!" begged the Mouse. "Please let me go and some day I will repay you."

The Lion did not think that a little Mouse could ever help a huge Lion, but he laughed at the idea and let the Mouse go.

A few days later, the Lion was caught in the ropes of a hunter's net. Unable to free himself, he began to roar angrily. The Mouse followed the voice and found the Lion stuck in the net. She grabbed one of the big ropes around him, and chewed it until it broke. The Lion was free!

12 Lovely Lane,

Montego Bay,

Jamaica.

June 3, 2022.

Dear Ana,

Thank you for your letter. It was very interesting to find out about Kingston where you live in Kingston. I have visited Kingston twice when I was 7 years old.

I am from Montego Bay. Montego Bay is the capital city of Saint. James. This is where I live. It is very big and always busy. There are many shops, restaurants, and beaches.

Montego Bay is a very exciting place to live. One thing I love about Montego Bay is the clear beach that I visit every weekend. Montego Bay is famous for many things such as the restaurants, beaches and hotels that is why tourists love to visit here. There are many restaurants that sell popular Jamaican foods such as jerked chicken, ackee and saltfish, breadfruit, festivals, and patties. My favourite food is ackee and saltfish. If you visit Montego Bay, you should visit me so that we can go to the beach.

I will write you another letter to tell your more about Montego Bay and hope you do the same.
