Complete the gaps with a pronoun [*what, when, where, that, who*]

When I was young, it seemed _____ life was so wonderful
A **miracle**, oh it was beautiful, magical
And all the birds in the trees, well they'd be singing so happily
Oh joyfully, oh playfully watching me

But then they send me away to teach me how to be sensible
Logical, oh responsible, practical
And they showed me a world _____ I could be so **dependable**
Oh clinical, oh intellectual, cynical

There are times _____ all the world's **asleep**
The questions run too deep
For such a simple man
Won't you please, please tell me _____ we've learned
I know it sounds absurd
Please tell me _____ I am

I said, watch what you say or they'll be calling you a radical
Liberal, oh fanatical, criminal
Won't you sign up your name, we'd like to feel you're acceptable
Respectable, oh **presentable**, a vegetable
Oh, take it, take it, take it yeah

But at night, _____ all the world's asleep
The questions run so deep
For such a simple man
Won't you please tell me _____ we've learned
I know it sounds absurd
Please tell me _____ I am,
(who I am, who I am, who I am…)

'Cause I was feeling so logical
D-d-digital
One, two, three, five
Oh, oh, oh, oh
It's getting unbelievable
