

Holdin' me **back/bad**
Gravity's holdin' me **back/bad**
I want you to hold out the palm of your hand
Why don't we **leave/leaf** it at that?
Nothin' to say
When everything gets in the way
Seems/since you cannot be replaced
And I'm the one who will stay, oh
In this world, it's just **us/as**
You know it's not the **same/save** as it was
In this world, it's just us
You know it's not the **same/save** as it was
As it was, as it was
You know it's not the **same/save**
Answer the phone
"Harry, you're no **good/gut** alone
Why are you **sittin'/sleepin'** at home on the floor?
What kind of pills are you on?"
Ringin' the **bell/belt**
And nobody's comin' to help
Your daddy lives by himself
He just wants to **know/now** that you're well, oh
In this world, it's just **us/as**
You know it's not the **same/save** as it was
In this world, it's just **us/as**
You know it's not the **same/save** as it was
As it was, as it was
You know it's not the same
Go home, get ahead, light-speed internet
I don't wanna talk about the way that it **was/were**
Leave America, two kids follow her
I don't wanna talk about who's **doin' / goin'** it first
As it was
You know it's not the same as it was
As it was, as it was
