Chile and Brazil

Chile and Brazil are beautiful countries. They are located in the South of America and they are very visited by worldwide tourists.

Brazil is bigger than Chile and it has a population of 215.514.161 million of people. Meanwhile Chile has a population of 19.438.163 million of people.

Brazil has more beautiful beaches than Chile; however, Chile has the most beautiful landscapes in the south.

Rio de Janeiro is the most visited city in Brazil meanwhile the most visited city in Chile is Santiago.

Santiago is smaller than Rio the Janeiro and Santiago is bigger than Viña Del Mar.

In my opinion the country that has the most interesting places to visit is Chile.
