週考 June U4-7+R3 單片卷+Level 5 單 7-3 卷+4500 單 grave~hush

Name:

Class: 205 No:

I. 週考 June U4-7

Listening

In Part B, you will hear several questions or statements. Choose the best response or reply.

- 3. (A) Stop taking your sister's toys, Jordan.
 - (B) Young man, don't you dare hit your sister again!
 - (C) Jordan, stop copying everything your sister says!
 - (D) That's enough! I won't tolerate cheating from my kids!
- 4. (A) Good idea. I'll tell a teacher about this situation tomorrow.
 - (B) Yeah, that's him, and you're right! We should run!
 - (C) You're right. Let's take a different route and avoid him.
 - (D) I don't want to talk to him. He'll probably punch us.
- 5. (A) It must fit all my science project materials, which are really big and heavy.
 - (B) It holds my phone and two pencils.
 - (C) It looks strange because I just learned to sew.
 - (D) I dropped it in the mud a few minutes ago.
- 6. (A) They all had to move to different schools because of it.
 - (B) Yeah, they worked together and solved it.
 - (C) They didn't exactly cause the problem, but it's mostly their fault.
 - (D) I hope they got in trouble for doing that.

In Part C, you will hear one or more conversations between a man and a woman, and then one or more questions following each conversation. Choose the best answer to the question.

- 7. (A) The man doesn't put effort into his looks.
 - (B) The man is too good for her.
 - (C) The man is too proud to apologize.
 - (D) The man has the perfect girlfriend.
- 8. (A) The business needs more people to make the man's idea work.
 - (B) Instead of doing the man's plan, they should hire more people.
 - (C) They would have to fire three people to make the plan work.
 - (D) The man should get help from their three teammates.

Questions 9-10

- 9. (A) To train the police to be better at their jobs.
 - (B) To hire more police to keep them safe.
 - (C) To close police departments in their cities.
 - (D) To have the right to become police officers.
- 10. (A) They are not paid high enough salaries.
 - (B) They don't actually kill that many people.
 - (C) Most people want to make friends with them.
 - (D) They are not actually needed by society.

In Part D, please read the questions below. You will then hear one passage about these questions. Choose the best answers to the questions.

- 11. Who is making this speech?
 - (A) The head of a Colombian city's government.
 - (B) A manager in a city government department.
 - (C) A new employee of the Calm Line in Bogotá.
 - (D) A resident of Bogotá reporting corruption in her neighborhood.
- 12. What is one goal of the cultural office of Bogotá?
 - (A) To teach foreigners how to live in Bogotá.
 - (B) To find jobs for people who live in Bogotá.
 - (C) To help people in the city design interesting projects.
 - (D) To eliminate sexism in its city and country.
- Reading

By 1906, American Henry Ford had9 automobile manufacturing in the US and was producing 100 cars a day. By 1927, further developments in his10 line process had let his company put over 15 million cars on the road. This11 growth led to great changes. New roads that could better accommodate automobiles were built, and people12 began moving away from cities and creating suburbs. The car industry also provided jobs: by 1982, one in six Americans was employed in car production. These days, cars rule the road and most people wouldn't have it any other way. 8.
