

# Try by Nelly Furtado

1) Drag the right sentence in the right gap as you listen to the song.

All I know

But the more I grow the less I know

Though I'm not old  
And the more I see, the less I grow  
The fewer the seeds the more I sow

Wanting more from me  
And all I can do is try

Wanting more from me  
And all I can do is try, try

And all the real people are really not real at all  
The more I learn the more I learn

As I say goodbye to the way of life

Then I see you standing there  
Wanting more from me

Then I see you standing there  
I'm all I'll ever be  
But all I can do is try  
Oh, try, try

We'll try to go back and make them last  
All of the things we want each other to be

And that's wonderful, and that's life  
And that's you, baby  
This is me, baby

And we are, we are, we are, we are  
We are, we are  
Free  
In our love  
We are free in our love  
Try...

***Is everything is not as it's sold***

***I thought I had designed for me***

***Then I see you standing there***

***We never will be, we never will be***

***Then I see you standing there***

***All of the moments that already passed***

***I wish I hadn't seen all of the realness***

***And I have lived so many lives***

***And all I can do is try***

***The more I cry the more I cry***

2) Answer the following question.

- What is the author trying to say with this song?
