

## The Rhino Song

*Rhino, everybody knows*

*You got \_\_\_\_\_ tail, four  
\_\_\_\_\_, twelve toes*

*Mr Rhino, look what grows,  
\_\_\_\_\_ big horns on the tip  
of your \_\_\_\_\_*

*Now you got three friends, Mr  
Rhinoceros*

*\_\_\_\_\_, buffalo and  
hippopotamus*

*You got two bad \_\_\_\_\_, but you're  
not deaf*

*And in Africa and Asia there's not many of you left*

*Mr Rhino, everybody knows...*

*\_\_\_\_\_, six seven makes a herd  
And on your back rides a white tick \_\_\_\_\_  
\_\_\_\_\_ nine ten you weigh a ton*

*But you're fast as a zebra when you're on the run*

*Mr Rhino, everybody knows...*

*Brambles and nettles you love to crunch  
With your many many \_\_\_\_\_ you munch and munch  
\_\_\_\_\_ 're the one and only, but sure as you're born  
Bigger and better than a unicorn*

*Mr Rhino, everybody knows...*

*I said \_\_\_\_\_ big horns on the tip of your \_\_\_\_\_.*
