Select the domain from the drop down box.
 For the other characteristics, select the box of the characteristics appropriate for the kingdoms. Some may have both options selected.

Characteristic							
		Eubacteria	<u>Archaeobacteria</u>	Protista	Fungi	Plantae	Animalia
Domain:							
Nucleus	Prokaryote						
	Eukaryote						
Cell #	unicellular						
	multicellular						
Feeding	autotrophic						
	heterotrophic						
Cell walls	Cell wall						
	No cell wall
