

GREECE

1. Watch the video.

2. Read the transcript, listening to the video simultaneously.

Greece is in Europe.

People in Greece speak a language called **Greek**. They count to three by saying: "ena, thio, tria". Let's try that together! ... Well done, that was some good counting.

Their national animal is the **dolphin**.

A long time ago Greece created lots of amazing things. Greece was the first country to have **theatres**. People would go to the theatre to watch stories come to life in plays.

Greece also started the Olympics. **The Olympics** is the most famous sports event in the whole world. People run races, swim,

throw things, jump and play games – to see who's the fastest, the strongest and the best in the world.

Greece has very very old beautiful buildings. This is called the **Parthenon**.

Greek **food** can be healthy and yummy. They often eat lovely meats, fresh salads, honey, fruit, yoghurt and octopus.

In Greece they don't say "hello": instead they say "**ya**".
