

'We are the Champions' by Queen is a song that has become an **anthem** for victories at sporting events. Listen to the song, fill in the blanks, and discuss the main message of the song.

I've my dues time after time
I've done my but committed no crime
And bad mistakes, I've made a few
I've had my share of kicked in my face
But I've through
And we mean to go on, and on, and on, and on

sand sentence
come paid

We are the champions, my friends
And we'll keep on till the end
We are the champions, we are the champions
No time for, 'cause we are the champions of the world

roses bows
losers calls
cruise fighting
race

I've taken my and my curtain
You brought me fame and fortune
And everything that goes with it, I thank you all
But it's been no bed of, no pleasure
I consider it a challenge before
The whole human and I ain't gonna lose
And we mean to go on, and on, and on and on
