

Friend: Hi, Sue. Have you been to the shops?

Sue: Yes. I had some money for my birthday so I decided to buy some clothes.

Friend: I love those purple **jeans**.

Sue: Yes, I bought them because purple is my favourite colour.

I got a new **jacket** too. My old one is too small, so I bought this lovely big one.

Friend: It's really great - did you buy a **dress**?

Sue: I got this one because it was only nine pounds!

Friend: That's not expensive!

Sue: Then I got a **sweater** to wear with my jeans.

Friend: It's lovely and soft.

Sue: That's why I bought it.

Friend: Anything else?

Sue: A **coat**. The long one I have is too big and heavy, but this one is really light.

Friend: Did you buy a short white **t-shirt** like mine?

Sue: Well, I bought a long white one. I'll wear it more often than a short one.
