

## 10 INTEGRATE

Complete the questions using *do* or *is*.

How do you know when people are lying? Here are some signs to look for. If you can answer *yes* to five or more of these questions, then the person you are speaking with is probably lying!

- 1  their hand in front of their mouth when they are speaking?
- 2  they look you in the eye?
- 3  they turn their body away from you?
- 4  their eyes move to the right?
- 5  they use any unusual gestures?
- 6  their face or neck red?
- 7  they scratch their nose?

---
