.....

4 Tortoises have got shells.

.....

5 Flamingos have got wings.

.....

6 Insects have got fins.

.....

5 Read and write the animals.

1 I'm very small. I've got wings and many beautiful colours. I fly over trees and rivers. I live in gardens and parks.

.....butterfly.....

2 I'm very small. I've got a shell on my back and I move very slowly. I live in gardens and I eat lettuce and grass. In the winter I sleep in a box.

.....

3 I lived a long, long time ago. I was very big. I had claws, but I didn't have fins or feathers. People usually think of me as a very dangerous animal.

.....

4 I'm tall. I've got long, thin legs and a long, black beak. My feathers are a beautiful pink colour. I live near rivers and lakes.

.....

5 I live in rivers and lakes. My feathers are usually white, but they can also be black or brown. I've got a very long neck and an orange beak. I move slowly through the water, but I can also move very quickly and I can fly.

.....

Animals' World
