Steve's free time

Hi! My name is Steve. I'm 10 years old and I live in the UK with my parents, my brother Paul and my sister Lucy. I go to school by bike. I like doing sports. Playing basketball is my favourite sport. I often play with my friends at weekends at the sport center near my house. It's good. I think it can help me taller and healthier. I can swim well, but I don't swim much. I don't like water sports, because it's too cold in winter.

In my free time, I play computer games, collect stamps or read books. I like playing computer games best. But all teachers at my school say "reading is basic", so I should read more.

At the weekends, I usually go camping with my parents, Paul and Lucy. Camping is very enjoyable and fun. We set fire and sing songs. Lucy sings and Paul plays the guitar. Music is their hobby.
