

## Type of Worksheet\_KinderGarden\_Topic

A worksheet for sorting 2D shapes. At the top left is a small drawing of a tree. Below it, the text I can sort 2d shapes. is written. Below this, there are four large empty boxes for sorting: a blue triangle, a green square, a yellow circle, and a red rectangle. Below these boxes is a large area containing a variety of 2D shapes (squares, rectangles, circles, triangles) in various colors (red, green, blue, yellow, purple, orange, brown). The shapes are scattered across the page, providing material for sorting practice.
