

- 1 Take turns to describe a person in your class. Can your partner guess who it is?

## Listening strategy

When you listen to a text with multiple choice answers, first read all the options carefully. Remember that the first option you hear is not always the correct answer. Continue listening until you are sure of the correct option.

- 2 **02 Exam** Listen to the conversation between two friends about their weekends. Choose the correct answers.

Who was late for school this morning?

- a Matt
- b Mr. Jackson
- c Anna
