I'm very disappointed with this mobile phone. It's too small to watch films and it's difficult to use. It's not worth the money and I don't recommend it.

These shoes are awful. When I wear them my feet hurt. They're too expensive - £75, but they look quite cheap. And they were one week late so my advice is don't buy them.

This is a great watch. It's comfortable, light and easy to use. I can also wear it when I'm swimming! It's definitely worth the money.
