Subject Is Social Media a Good or Bad Thing?

80 字短文寫作

Dear Annie,

Most of us spend \_\_\_\_\_ social media. Sometimes, \_\_\_\_\_ you. However, if you don't make good use of it, it's \_\_\_\_\_.

When you \_\_\_\_\_ something good or funny \_\_\_\_\_, social media is a good choice. You can contact them even if they're far away.

Sometimes, you spend \_\_\_\_\_ social media, but you \_\_\_\_\_ family and homework. That's because social media is controlling you.

\_\_\_\_\_ ? Is social media a good or bad thing?

Best wishes,  
Jack
