Key / Key for Schools - Reading & Writing - New Part 7

Can use the most frequently occurring connectors to link simple sentences in order to tell a story or describe something.

Look at the three pictures.
Write the story shown in the pictures.
Write **35 words** or more.

Write the story on your answer sheet.

NB: This is similar to the story-writing task in Flyers so students who have already done Flyers will be able to build on the skills they have developed. They are for 35 words or more for stronger candidates to be able to demonstrate a wider range of writing skills.
