Reading Comprehension; Sequence

Lemonade Stand

It was a hot, hot day. Sara and Blake wanted to set up a stand to sell lemonade. They made lemonade by mixing water, lemons, and sugar. Next, they set up a table and put out cups. After that, they made a big sign. Sara and Blake sold it for fifty cents a cup. Lots of people came to buy their drinks. At the end of the day, Sara and Blake had made twenty dollars!

How do Sara and Blake make a lemonade?

How much money do Sara and Blake make?

Sequence the events . Write 1,2,3,4,5

- _____ They made sign.
- _____ They made the lemonade.
- _____ They set up a table and put out cups.
- _____ They made twenty dollars.
- _____ Lots of people bought the lemonade.

Reading Comprehension

There are many places where plants and animals live. Animals need to eat the plants for food. Plants need the animals to make more plants. They have to live in one place and help each other. Some live in the desert. Deserts are dry and hot. There is only a little water. It is hot in the day and cool at night. Not much moves in the day. It is too hot. Camel, desert fox and oryx live in the desert. Sea is another place for animals to live. The sea has water. Fish and dolphins live in the sea. The world has many places for animals to live. The desert and the sea are only a few of the places they can live.

Write Yes or No

1. Deserts are cold places. _____
2. Desert fox lives in water. _____
3. The sea has water. _____
4. Fish live in water. _____
5. There are few places for animals to live. _____
