

# amazon

The word "amazon" is written in a bold, black, lowercase sans-serif font. Below the text is the Amazon logo, a thick orange curved arrow that starts under the 'a' and points to the right, ending under the 'n'.

For security reasons, we require additional information to verify your account.

Your account information has been successfully changed.

It is impossible to change the password in Account Change; however, we can provide support and assistance to the customer in order to continue the process.

Inform the customer that you are sending an email to [paul456@gmail.com](mailto:paul456@gmail.com) in order to continue the process:

Thank you for contacting Amazon

To authenticate, please use the following One Time Password (OTP):

**450271**

Access to the following link to continue and authenticate:

<https://www.amazon.com/amazonpasswordassistance/12446>

Don't share this OTP with anyone. Our customer service team will never ask you for your password, OTP, credit card, or banking info.

We hope to see you again soon.

## Verification required

To continue, complete this verification step. We've sent a One Time Password (OTP) to the email mejiasgkevin@gmail.com. Please enter it below.

## Create new password

We'll ask for this password whenever you Sign-In.

New password

 Passwords must be at least 6 characters.

Re-enter password

Save changes and Sign-In

### Secure password tips:

- Use at least 8 characters, a combination of numbers and letters is best.
- Do not use the same password you have used with us previously.
- Do not use dictionary words, your name, e-mail address, mobile phone number or other personal information that can be easily obtained.
- Do not use the same password for multiple online accounts.
