Animal Sculpture Exhibition

Visit the Sculpture Museum this summer. There are 40 different animal sculptures in the exhibition. Each animal is made from rubbish: tyres, bottles, cardboard boxes, newspapers, plastic bags, drink cans, etc.

Paper or cardboard?

‘Rabbit’

By Nancy Winn

This rabbit is made of paper. The artist uses old newspapers and magazines to create rabbits, dogs and other pets.

Metal or rubber?

‘Lion’

By Yong Ho Ji

This lion is made of rubber. The artist uses old tyres to make lions, tigers and other wild animals.

Plastic or glass?

‘Frog’

By Veronika Richterova

This blue frog is made of plastic. The artist uses old plastic bottles to make frogs and fish. She also makes butterflies, dragonflies and other insects.
