DESCARGA LA APP ANDROID

The worksheet displays two main groups of shapes. The left group, enclosed in a purple border, contains four squares, each with a circle inside and a green checkmark. The right group, enclosed in an orange border, contains two squares, each with a circle inside and a green checkmark. Below these groups are two larger shapes: a light blue rectangle with a light blue oval inside, and a light gray rectangle with a light gray oval inside. The interface includes a sidebar with icons for various tools and a top bar with a search icon and a language selector.

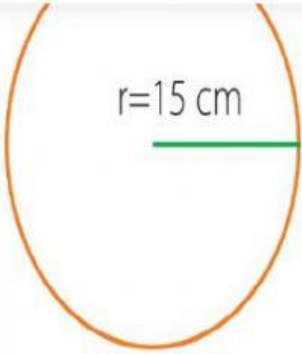

Idulay Ejercicio de CAS-0026-Porcentaje- WhatsApp Columna. Elementos del círculo (112) ¿DESTRUYO LA FOTO DE FELI
