Professional Snuggler

If you need to be hugged, cuddled, and snuggled, but you're all alone, then your answer is a professional snuggler. You'll be surprised to find a number of companies offering the most enjoyable and relaxing professional cuddling experience. You get to hug somebody and get paid between \$60 and \$80 an hour! Bear in mind: nothing more than hugs

Golf Ball Diver

If you enjoy scuba diving and being outdoors, then you are a perfect candidate for this unusual job. Golf ball divers are responsible for collecting all the golf balls from the bottom of ponds on courses. Sounds easy and enjoyable! Well, the truth is that many ponds are not well taken care of, and you can find a lot of nasty mud, algae, and even snakes down there. Gross

Pet Food Tester

Pets are our friends, and we have to make sure that they eat delicious and nutritious meals. Call in the pet food testers! They taste pet food to evaluate the flavors and check if it's up to quality standards. Nobody deserves bad food, especially the favorite member of the family.

Snake Milker

Snake venom (poison) can be used for many things, but the most important is its use in medical research or to produce "antivenom." As a result, there is a high demand for snake poison every year. Snake milkers spend their days pushing snakes (certain types only) into a plastic container to extract or milk the snake. These true heroes literally save lives by milking snakes
