

For questions 41 – 45, match the teacher's comments with the types of mistake listed A, B and C.

Mark the correct letter (A, B or C) on your answer sheet.

You will need to use some of the options more than once.

### Types of mistake

- |          |                      |
|----------|----------------------|
| <b>A</b> | developmental errors |
| <b>B</b> | L1 interference      |
| <b>C</b> | slips                |

### Teacher's comments

- 41 It's natural for all beginners to say things like *I goed home* instead of *I went home*.
- 42 Even though his level of English was good, the student was so excited yesterday that he made several mistakes which he wouldn't normally make.
- 43 This advanced student still has problems distinguishing between /σ/ and /□/. /σ/ doesn't exist in his language.
- 44 After we'd done the unit on comparatives using *more* several students started saying *more nicer*.
- 45 This intermediate level student did the written exercises on irregular verbs perfectly but she said *cutted* when she recorded the exercises. She was probably just a bit nervous.

For questions 46 – 50, look at the learning strategies and the three learner activities A, B and C.

Two of the learner activities are examples of the learning strategy. One learner activity is **NOT**.

Mark the letter (A, B or C) which is **NOT** an example of the learning strategy on your answer sheet.

For questions 69 – 74, match the features of lessons which students describe with the teaching approaches listed **A**, **B** and **C**.

Mark the correct letter (**A**, **B** or **C**) on your answer sheet.

You will need to use some of the options more than once.

---

### Teaching approaches

- |          |                         |
|----------|-------------------------|
| <b>A</b> | Grammar-Translation     |
| <b>B</b> | Total Physical Response |
| <b>C</b> | Lexical Approach        |

### Features of lessons

- 69** We analyse the language, focusing especially on everyday expressions and learning their meanings.
- 70** We focus on understanding the rules of the structures in L2 reading passages.
- 71** We work a lot on collocation and this helps us to memorise common phrases.
- 72** In my class everyone speaks the same language, so our teacher often asks us to look at English texts and write them out in our own language.
- 73** Our teacher often tells us stories, and we listen or maybe mime parts of them.
- 74** We often do lots of exercises on different structures.

For questions 75 – 80, match the assessment tasks with the descriptions of assessment listed A – D.

Mark the correct letter (A – D) on your answer sheet.

You will need to use some of the options more than once.

|----------|--------------------------|
| <b>A</b> | summative and objective  |
| <b>B</b> | summative and subjective |
| <b>C</b> | formative and objective  |
| <b>D</b> | formative and subjective |

### Assessment tasks

- |    |                                                                                                                                                                         |
|----|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 75 | For their final test, students are given a picture and they talk about it. They are assessed on their ability to communicate.                                           |
| 76 | Students write an article about leisure facilities in their area. The teacher gives comments later on layout and organisation, content and vocabulary and grammar.      |
| 77 | Students read three texts on a topic they have studied on the course and do true/false and matching tasks.                                                              |
| 78 | Students do a vocabulary test at the end of every term on the words they have learnt. This term they have to match words with pictures.                                 |
| 79 | Students do a multiple-choice diagnostic test which covers a range of grammar and vocabulary. The teacher then tells the students their main strengths and weaknesses.  |
| 80 | As part of a monthly test, students write a composition. They then exchange compositions and choose comments from a list, to evaluate the writing. They then return it. |
