LINKERS: AND- BECAUSE

1) READ THE BLOG ENTRY. WHICH THINGS ARE THE SAME IN YOUR LIFE?

My two cities

I'm from Toronto, Canada, but I work in Osaka, Japan, six months a year. I like life in Japan, but it's very different. In Toronto, I live in a big house and I drive to the shops because they're five kilometres from my house. In Osaka, I live in a small flat and I walk to work because I don't have a car. I'm often tired because we work six days a week.
