The first thing my teacher said to my class this morning was 'Can I make a [0]____? [1]____ all cycle to school tomorrow.' One of the pupils said, 'What do you [2]____, Mr Lister?' and Mr Lister said, 'Well, we're learning [3]____ the environment at the moment so I think everyone in the class has to do something to help the environment.' One brave pupil said, 'I'm [4]____, Sir, but I don't agree that we have to come on our bikes. I don't like cycling to school because the road is very dangerous. I tried it a few months [5]____ and I nearly had an accident.' 'OK,' said the teacher, 'Well what [6]____ trying to use less electricity and less water?' Then another pupil said, 'I don't [7]____ it, Sir! Are you saying I can't use my mobile phone, the TV, my laptop or games console?' The teacher just looked a bit sad and said, 'We're not going to save much electricity, are we?!'
