

**3 Circle the correct answer.**

My cat is tech mad!  
She watches <sup>1</sup> TV / tablet  
every day. Bird  
programmes are her  
favourite! But she also  
loves my <sup>2</sup> laptop /  
camera because she  
likes looking at the  
cursor – it's the little  
arrow on the <sup>3</sup> computer / screen. I move  
the <sup>4</sup> speakers / mouse and she watches the  
arrow. But when my <sup>5</sup> mobile phone / printer  
rings she hides! She thinks it's a dog!
