

WRITE AWAY!

Ideal Hideaway

To write about a place, first think about things that make it special.

Jot down ideas to use later when you draft your piece.

★ Reasons for having a hideaway:

★ Places to set up your hideaway:

★ Who would know about it?

★ Who would NOT know about it?

★ Comforting objects for your hideaway:

★ Others words for—

<i>ideal</i>	<i>hideaway</i>	<i>safe</i>

And NOW—

Use the ideas and words you gathered to write a description of your ideal hideaway. Remember—your hideaway is the only one of its kind. Make it sound perfect—for you.
