The Logical Song by Supertramp

When I was _____, it seemed that life was so _____,

A miracle, oh it was _____, _____.

And all the birds in the trees, well they'd be singing so _____,

Joyfully, _____ watching me.

But then they send me away to teach me how to be _____,

_____, responsible, _____.

And they showed me a world where I could be so dependable,

Clinical, _____, _____.

There are times when all the world's _____,

The questions run too deep

For such a simple man.

Won't you please, please tell me what we've learned

I know it sounds _____

But please tell me who I am.

Now watch what you say or they'll be calling you a _____,

_____, fanatical, _____.

Won't you sign up your name, we'd like to feel you're

Acceptable, _____, presentable, a vegetable!

At night, when all the world's asleep,

The questions run so _____

For such a _____ man.

Won't you please, please tell me what we've learned

I know it sounds _____

But please tell me who I am.
