Name: _____ Date: _____

Writing a Sentence Worksheet

A sentence is a group of words that expresses a complete thought.
A sentence contains a subject and a predicate. The subject tells whom or what the sentence is about. The predicate tells the action the subject does.

Directions: Complete each sentence fragment below by adding a subject or predicate. Re-write the entire sentence on the lines provided.

Example A: Sarah rode _____.
Answer: Sarah rode her bicycle.

1. John hit _____.
2. _____ walked to the store.
3. The football player _____.
4. _____ played the guitar.
5. My mother _____.
6. The baseball player _____.
7. The author _____.
8. _____ ran around the track.
