Dialogue	
P: Good morning/afternoon/evening. May I come in?	
D: Yes. Sure. What is your name?	
P: My name is	
D: What's wrong?	
P: I feel	
I have got	
D: Well. Let's examine you. First, we check your temperature. Y temperature is	our
P:	
D:	
P:	
D:	
P: Is everything awful/terrible?	
D: No. don't worry. You should	
P:	
D: You should take this medicine	

It will protect ye	ou from infection.	
--------------------	--------------------	--

These pills will help you. I hope you are going to feel better soon.

P: Thank you doctor. Good-bye.

D: Not at all. See you soon.
