LISTENING – UNIT 4

4.5 **Listen again. Match the speakers (1–5) with what they say about making up their mind (A–H). There are three options you do not need.**

A I worry about making choices that aren't even really that important.

B A small decision that I made had a big effect on my life.

C Decisions never turn out to be as important as I think at the time.

D There was an accident because of a bad decision I made.

E I like to discuss my decisions with people who really understand my situation.

F My friends always help me to make up my mind.

G I'm surprised that I have to make this decision.

H It was the right decision to share my problem with others.
