

## HOW TO SURVIVE IN DESERT

FILL IN THE BLANKS USING  
SHOULD OR SHOULDN'T

1. You ..... have a hat or another thing to cover your head against sun
2. You ..... find a shelter
3. At the first sign of thirst, you ..... drink your water because you have to use it wisely
4. The more you eat, the thirstier you'll get, so you ..... eat only a little
5. If you don't know where you are, you ..... leave your location
6. You ..... mark your location using rocks, sticks, etc...
7. You ..... conserve your energy and you ..... keep your mouth closed to prevent the lose of water.
8. You ..... find a place to stay before it gets dark because it is freezing in the deserts at night.
9. You ..... panic because it is the biggest killer
10. You ..... consider your options and decide a plan.
