Decide if the statements are True or False.
On your Answer Sheet, mark T if the statement is True and F if the statement is False.

Dear Paul,

How are you? I have some great news. We moved to our new house last week. So let me tell you all about it.

First of all, my new house is near my school so I can walk there. It is also bigger than my old house. It's got two floors and a garden. It's got three bedrooms so now my brother and I sleep in different rooms. My bedroom is smaller than my brother's, but it's got a big window. My desk is near the window. I have my computer on the desk and at weekends, I play computer games with my brother. I do all my homework in my room. I haven't got a television in my room. I watch television in the living room.

I really like my new house. I'm sending you some pictures. Tell me if you like it.

Talk soon,

Peter
