PINOCCHIO

But Pinocchio was quite naughty. He and his friends used to skip school to play and have fun all the time.

When Gepatto found out, he was very angry. "Did you miss school?" he asked.

Naughty Pinocchio refused to tell the truth. "No father, I was in school all day!" he lied. Immediately, his wooden nose started to grow long!

"Are you telling a lie?" Geppeto asked with a frown. "No father!" he replied and his nose grew longer again
