JOB INTERVIEW

1	The interviewer´s name is katejohnson	
2	The applicant is currently finishing a master of education program	
3	He´s currently working on transitioning from aNortheastern Ohio	
4	He moved well my wife's job is moving down south and I'm coming along with her	
5	His main interests in passions he loves being outside. He loves doing outdoor activities and I love working with people	
6	He has experience as a teacher helping people	
7	He knew about the position whe he was looking online I found aa reaiize website and that there were positions available in the Jacksonville area	
8	He knows the company has been around for a long time since the late 1930s	
9	He knosw that the company is consistently ranked among the top 100 companies	
10	He thought growing with a company that has that level of success would be a good place to be	
11	He wants to apply for customer service department	
12	He wnats to apply for the customer service department because want to start in a position that allows me to learn everything about the company from the very basic level of interacting with the customers	
13	He thinks that his kills in education feels that within a company like REI it's the same philosophy getting a customer comfortable t's all about making the customer or student feel comfortable and helping them grow	
14	The company should hire him he'll be able to market the services and products that REI offers specifically to the teaching profession	
15	He says that his greatest professional strength is patience that translates across the careers being able to listen to a student or customers	

LIVEWORKSHEETS

16	He thinks his main weaknesses is compassion. He also thinks people can misinterpret compassion as being easy	
17	He says that his greatest profesional achievement personally is becoming a eacher earning a master's degree	
18	He thinks building profesional relationships is another way to deal with conflicts understanding	
19	He is able to overcome those conflicts with patience and listening to the client or customers needs	
20	He can approach his potential challenge here at the workplace the important thing is to listen to the people around him and understand that I am a newcomer and that they know more about the work environmen.	
21	he sees himself in five years being able to develop a market that allows me to interact with people within the teaching profession and grow our brand using that market as a target client.	
22	since he´s new to the area he hasn´t had the opportunity to interview with a wide variety of companies	
23	He thrives in a variety of work environments and what does this look like well I thrive in a variety of work environments I wouldn't expect to be sitting in a cubicle.	
24	if I had to be an animal I would certainly want to be a domesticated a cat they just have that ability to love unconditionally they're intensely loyal and they just provide so many benefits to people	
25	About the questions, many tennis balls you can fit into a limousine, he can't just do it off the top of his head	
26	The interviewer says that "one benefit of working in our particular company is the atmosphere itself"
