

Set Fire to the Rain (Adele)

I let it fall, my head / heart
 And as it fell, you / I rose to claim we / it
 It was dark and I was over
 Until you kissed my lips and you / we saved me
 My hands / legs, they were strong
 But my knees were far too weak
 To stand in your arms / face
 Without falling to your hands / feet

But there's a side to me / you
 That I never knew, never knew
 All the things you'd say
 They were never true, never true
 And the times / games you'd play
 You would always win, always win

But she / I set fire to the rain
 Watched it pour as I touched your pace / face
 Well, it burned while I cried
 'Cause I heard it screaming out your name
 Your name

When laying with you / mood
 I could stay there
 Close my eyes, feel you here forever
 You and me together, nothing is better

'Cause there's a side to you
 That I never knew, never knew
 All the things / words you'd say
 They were never true, never true
 And the games you'd play
 You would always win, always win

But I set fire to the rain
 Watched it pour as I touched your face
 Well, it burned while I cried
 'Cause I heard it screaming out your name
 Your name

I set fire to the rain
 And I threw us into the flames
 When I / we fell, something died
 'Cause I knew that that was the last time
 The last time

Sometimes I wake up by the door / floor
 That heart you caught must be waiting for you
 Even now when we're already over
 I can't help myself from looking for you

I set fire to the rain
 Watched it pour as I touch your face
 Well, it burned while I cried
 'Cause I heard it screaming out your name
 Your name

I set fire.....

Oh, no
 Let it burn, oh-oh-oh
 Let it burn
 Let it burn
