HAPPY AT THE ZOO

Read the text:

Happy at the Zoo!

Hello my name is Tommy and I am at the zoo now. I am not looking at the lion , because I am looking at the elephant. My friends Jake and Annie are looking at the tiger, they are very happy. I like this zoo but it is not a very common zoo , since the bear , the lion and the snake are sharing the same spot. Also, the giraffe , the elephant and the ostrich are living together. All these animals must be very friendly because they don´t seem

Are these sentences Right or Wrong? Write an **R** if the sentence is Right and **W** if the sentence is Wrong.
