

COLEGIO CRISTIANO CARES
MATEMÁTICAS
TERCERO PRIMARIA
III MÓDULO

PRIMERA SERIE:

INSTRUCCIONES: Une con una línea la definición con el concepto.

1. Cuando realizamos los repartos y no sobran elementos, ¿decimos que la división es?	Criterio de divisibilidad
2. Es el encargado de dividir una cantidad.	Exacta
3. Son las reglas que determinan si un número es divisible entre otro.	Inexacta
4. Cuando realizamos los repartos y sobran elementos, ¿decimos que la división es?	Repartos
5. Consiste en dividir una cantidad entre otra.	Divisores

SEGUNDA SERIE:

INSTRUCCIONES: Escribe los primeros cinco divisores de las siguientes cantidades.

• $D_{45} =$

• $D_{16} =$

• $D_{50} =$

• $D_{20} =$

• $D_{108} =$

TERCERA SERIE:

INSTRUCCIONES: Resuelve y escribe el resultado de las divisiones abreviadas.

a. $9\,000 \div 100 =$

b. $3\,000 \div 10 =$

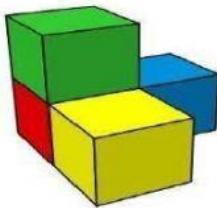

c. $9\,800 \div 100 =$

d. $400 \div 10 =$

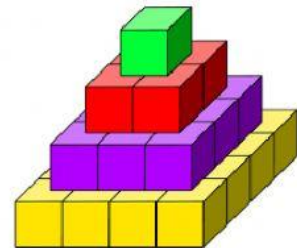

e. $70\,000 \div 1\,000 =$

CUARTA SERIE:

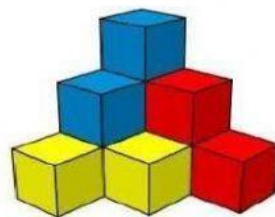

INSTRUCCIONES: Calcula el volumen de cada cuerpo y escríbelo.

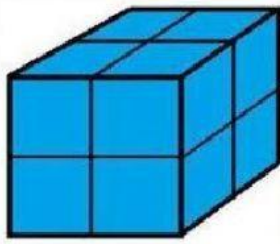

Volumen:

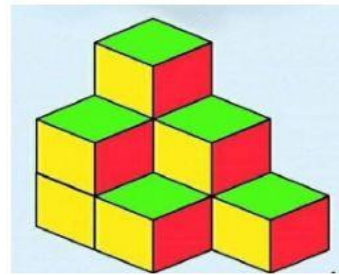

Volumen:

Volumen:

Volumen:

Volumen:

QUINTA SERIE:

INTRUCCIONES: Arrastra la respuesta correcta para cada enunciado.

1 ¿Cuántos vasos hay en 2 litros?

- 5
- 8
- 14

2 ¿Cuántos vasos hay en 5 botellas?

- 15
- 18
- 19

3 ¿Cuántas botellas hay en 5 galones?

- 8
- 11
- 25

4 ¿Cuántas libras hay en 3 arrobas?

- 35
- 75
- 55

5 ¿Cuántas onzas hay en 7 libras?

- 112
- 125
- 351

INSTRUCCIONES: Resuelve los siguientes problemas. Recuerda que debes escribir la respuesta.

-
- The diagram shows a sequence of boxes arranged in a staircase pattern. The first row has two boxes. The second row has three boxes, with a bracket underneath the first three boxes. The third row has two boxes. The fourth row has three boxes. The fifth row has two boxes. The sixth row has three boxes. The seventh row has two boxes. The eighth row has three boxes. The ninth row has two boxes. The tenth row has three boxes. The eleventh row has two boxes. The twelfth row has three boxes. The thirteenth row has two boxes. The fourteenth row has three boxes. The fifteenth row has two boxes. The sixteenth row has three boxes. The seventeenth row has two boxes. The eighteenth row has three boxes. The nineteenth row has two boxes. The twentieth row has three boxes. The twenty-first row has two boxes. The twenty-second row has three boxes. The twenty-third row has two boxes. The twenty-fourth row has three boxes. The twenty-fifth row has two boxes. The twenty-sixth row has three boxes. The twenty-seventh row has two boxes. The twenty-eighth row has three boxes. The twenty-ninth row has two boxes. The thirtieth row has three boxes. The thirty-first row has two boxes. The thirty-second row has three boxes. The thirty-third row has two boxes. The thirty-fourth row has three boxes. The thirty-fifth row has two boxes. The thirty-sixth row has three boxes. The thirty-seventh row has two boxes. The thirty-eighth row has three boxes. The thirty-ninth row has two boxes. The fortieth row has three boxes. The forty-first row has two boxes. The forty-second row has three boxes. The forty-third row has two boxes. The forty-fourth row has three boxes. The forty-fifth row has two boxes. The forty-sixth row has three boxes. The forty-seventh row has two boxes. The forty-eighth row has three boxes. The forty-ninth row has two boxes. The fiftieth row has three boxes. The fifty-first row has two boxes. The fifty-second row has three boxes. The fifty-third row has two boxes. The fifty-fourth row has three boxes. The fifty-fifth row has two boxes. The fifty-sixth row has three boxes. The fifty-seventh row has two boxes. The fifty-eighth row has three boxes. The fifty-ninth row has two boxes. The sixtieth row has three boxes. The sixty-first row has two boxes. The sixty-second row has three boxes. The sixty-third row has two boxes. The sixty-fourth row has three boxes. The sixty-fifth row has two boxes. The sixty-sixth row has three boxes. The sixty-seventh row has two boxes. The sixty-eighth row has three boxes. The sixty-ninth row has two boxes. The seventieth row has three boxes. The seventy-first row has two boxes. The seventy-second row has three boxes. The seventy-third row has two boxes. The seventy-fourth row has three boxes. The seventy-fifth row has two boxes. The seventy-sixth row has three boxes. The seventy-seventh row has two boxes. The seventy-eighth row has three boxes. The seventy-ninth row has two boxes. The eightieth row has three boxes. The eighty-first row has two boxes. The eighty-second row has three boxes. The eighty-third row has two boxes. The eighty-fourth row has three boxes. The eighty-fifth row has two boxes. The eighty-sixth row has three boxes. The eighty-seventh row has two boxes. The eighty-eighth row has three boxes. The eighty-ninth row has two boxes. The ninetieth row has three boxes. The ninety-first row has two boxes. The ninety-second row has three boxes. The ninety-third row has two boxes. The ninety-fourth row has three boxes. The ninety-fifth row has two boxes. The ninety-sixth row has three boxes. The ninety-seventh row has two boxes. The ninety-eighth row has three boxes. The ninety-ninth row has two boxes. The hundredth row has three boxes. The hundred and first row has two boxes. The hundred and second row has three boxes. The hundred and third row has two boxes. The hundred and fourth row has three boxes. The hundred and fifth row has two boxes. The hundred and sixth row has three boxes. The hundred and seventh row has two boxes. The hundred and eighth row has three boxes. The hundred and ninth row has two boxes. The hundred and tenth row has three boxes. The hundred and eleventh row has two boxes. The hundred and twelfth row has three boxes. The hundred and thirteenth row has two boxes. The hundred and fourteenth row has three boxes. The hundred and fifteenth row has two boxes. The hundred and sixteenth row has three boxes. The hundred and seventeenth row has two boxes. The hundred and eighteenth row has three boxes. The hundred and nineteenth row has two boxes. The hundred and twentieth row has three boxes. The hundred and twenty-first row has two boxes. The hundred and twenty-second row has three boxes. The hundred and twenty-third row has two boxes. The hundred and twenty-fourth row has three boxes. The hundred and twenty-fifth row has two boxes. The hundred and twenty-sixth row has three boxes. The hundred and twenty-seventh row has two boxes. The hundred and twenty-eighth row has three boxes. The hundred and twenty-ninth row has two boxes. The hundred and thirtieth row has three boxes. The hundred and thirty-first row has two boxes. The hundred and thirty-second row has three boxes. The hundred and thirty-third row has two boxes. The hundred and thirty-fourth row has three boxes. The hundred and thirty-fifth row has two boxes. The hundred and thirty-sixth row has three boxes. The hundred and thirty-seventh row has two boxes. The hundred and thirty-eighth row has three boxes. The hundred and thirty-ninth row has two boxes. The hundred and fortieth row has three boxes. The hundred and forty-first row has two boxes. The hundred and forty-second row has three boxes. The hundred and forty-third row has two boxes. The hundred and forty-fourth row has three boxes. The hundred and forty-fifth row has two boxes. The hundred and forty-sixth row has three boxes. The hundred and forty-seventh row has two boxes. The hundred and forty-eighth row has three boxes. The hundred and forty-ninth row has two boxes. The hundred and fiftieth row has three boxes. The hundred and fifty-first row has two boxes. The hundred and fifty-second row has three boxes. The hundred and fifty-third row has two boxes. The hundred and fifty-fourth row has three boxes. The hundred and fifty-fifth row has two boxes. The hundred and fifty-sixth row has three boxes. The hundred and fifty-seventh row has two boxes. The hundred and fifty-eighth row has three boxes. The hundred and fifty-ninth row has two boxes. The hundred and sixtieth row has three boxes. The hundred and sixty-first row has two boxes. The hundred and sixty-second row has three boxes. The hundred and sixty-third row has two boxes. The hundred and sixty-fourth row has three boxes. The hundred and sixty-fifth row has two boxes. The hundred and sixty-sixth row has three boxes. The hundred and sixty-seventh row has two boxes. The hundred and sixty-eighth row has three boxes. The hundred and sixty-ninth row has two boxes. The hundred and seventieth row has three boxes. The hundred and seventy-first row has two boxes. The hundred and seventy-second row has three boxes. The hundred and seventy-third row has two boxes. The hundred and seventy-fourth row has three boxes. The hundred and seventy-fifth row has two boxes. The hundred and seventy-sixth row has three boxes. The hundred and seventy-seventh row has two boxes. The hundred and seventy-eighth row has three boxes. The hundred and seventy-ninth row has two boxes. The hundred and eightieth row has three boxes. The hundred and eighty-first row has two boxes. The hundred and eighty-second row has three boxes. The hundred and eighty-third row has two boxes. The hundred and eighty-fourth row has three boxes. The hundred and eighty-fifth row has two boxes. The hundred and eighty-sixth row has three boxes. The hundred and eighty-seventh row has two boxes. The hundred and eighty-eighth row has three boxes. The hundred and eighty-ninth row has two boxes. The hundred and ninetieth row has three boxes. The hundred and ninety-first row has two boxes. The hundred and ninety-second row has three boxes. The hundred and ninety-third row has two boxes. The hundred and ninety-fourth row has three boxes. The hundred and ninety-fifth row has two boxes. The hundred and ninety-sixth row has three boxes. The hundred and ninety-seventh row has two boxes. The hundred and ninety-eighth row has three boxes. The hundred and ninety-ninth row has two boxes. The hundredth row has three boxes.
