Part 2:

Complete the following movie review with ONE word:

Movie Review: **Maleficent**

What is the 1)................ Walt Disney movie of all time? It is 2)...................... to choose, but Disney's fairy tales would be in the top ten. However, personally I 3)................ Maleficent. This movie 4) .... released 5) .... May 30, 2014. It is a dramatic sci-fi film which starts Angelina Jolie, who is the heroine as well 6) .... the villain, and Elle Fanning who plays the 7) .... of Aurora.

The 8).................. starts with a young Maleficent who 9)............. horns and wings and who meets a boy 10)................... Stefan. They get close and continue to see each 11).............. more often, but Stefan betrays her and cuts off her 12)................ leaving Maleficent brokenhearted. Due to this fatal incident, Maleficent decides to cast a spell on Aurora who is Stefan's 13)...................... .

Nevertheless, as 14) .... passes Maleficent becomes closer to Aurora, which makes her feel terrible about cursing her, so she tries to remove the 15).................... . Can she break it and save Aurora?

There 16)................ a lot of exciting scenes and the script is well-written and gripping.

I would highly 17).......................... Maleficent especially if you 18)................. keen on the Disney Movie "Sleeping Beauty". I am sure you 19)................ not regret watching this 20)...................... .

Part 3:

Your English friend Becca is coming to you for a month. She likes to go out and visit touristic places so she wants your advice. Write an e-mail (125 words) and inform her about the following:

- *which places she can visit and why they are worth visiting*
- *what the weather is like during summer and what clothes she should bring*
- *what type of transportation she can take*
- *She wants to know if you can join her and visit some places with her.*
