

## *A letter to Katie*

*Katie is my best friend. She lives in England with her family.*

Dear Katie,

How are you? I hope you and your family are well. In your last letter you asked me about my plans for the summer I .....tell you a little bit about them, but they ..... probably change because of Covid-19.

In July, I..... go to Cordoba with my daughter to visit family and friends. The weather..... be very hot so we..... probably go to the swimming pool every day, if it is open. In the evenings we ..... go for walks, but after 10 pm, when the weather is cooler. Also, we..... go to the *Cine de Verano*. Do you know what it is? It is a big cinema screen outside and the films ..... at 10pm or later at 12! We ..... probably take a sandwich for dinner and have a drink or an ice cream. I love it!

At the beginning of August, we..... go to England to see my parents in London and visit my husband's family. They live near you, so maybe I ..... come and visit you for a few days, too. Will you be there?

We are going to go to *Greece* at the end of *August*. My parents will rent a house for the whole family and we..... spend a week by the beach. We will swim in the sea, we ..... go for walks in the evening, and we will play games! We ..... visit any big cities, because we just want to relax but we are going to eat a lot of ice-cream! I can't wait - it's going to be fantastic. We will be very sad if we can't go.

What..... you ..... do this summer? Are you going to stay in England or are you going to visit another country?

Write soon and tell me your news!

Love,

Neda
