

Section 1

Listening Comprehension

Now set your audio player to Track 4.

In this part of the test, you will have the opportunity to demonstrate your ability to understand conversation and speech in English. There are three sections to this section with specific instructions for each section. Answer all questions based on what is stated or implied by the speaker in this test. Don't take notes or write in your exam book all the time. Do not turn the page until you are instructed to do so.

Part A

Directions: In Part A, you will hear a short conversation between two people. After a cached conversation, you'll hear questions about the conversation. Conversations and questions will not be repeated.

After you hear the questions, read the four possible answers in your test book and choose the best answer. Then, on your answer sheet, look for the question number and fill in the space that corresponds to the letter of the answer you chose.

Here is an example:

On your recording, you hear:

Sample Answer

- (A) He doesn't like the painting either.
